REAR SLIDE-OUT ACCESS

The BlackBox offers versatile and secure transportation for vans and Sprinters. Its innovative design and rugged construction make it ideal for carrying bikes, generators, and other gear, ensuring your equipment is protected and stable during transport. The BlackBox features a convenient slide-out rear access, and includes lockable security to keep your belongings safe at all times.

- ✓ Durable Polypropylene Lid
- ✓ Strong Steel Basket & Platform
- ✓ Gas Shock Arms for Lid Lift Support

BlackBox Accessory Add-ons

Landing Gear
P/N H02264

- ✓ Four length adjustable legs for 14-18in hitch heights
- ✓ Rated for 250 lbs of cargo

Custom designed mobility aid for hitch installation, removal, and storage of BlackBox carriers. The height adjustable and folding legs nest underneath the carrier for transit and are deployed for removal of the carrier from the hitch. Rated for use on smooth pavements only.

Bike Mount Options

BlackBox 1-Bike Mount

P/N H01663

Highly adjustable bike mount accessory hardware kit designed for securing bicycles of all sizes, frames, and handle bars inside the BlackBox and BlackBox PRO enclosed carrier. Adapter required for bikes with thru axles.

- ✓ Included M9 x 116mm Quick Release Fork Mount
- ✓ For Standard Bikes of up to 71in Overall Length with Front Tire Removed

BlackBox 2-Bike Mount

P/N H01977

This bike mount kit offers a secure and convenient way to transport a single bicycle. Its sturdy design ensures excellent stability and protection, making it perfect for both daily use and longer trips. Adapter required for bikes with thru axles.

- ✓ Included M9 x 116mm Quick Release Fork Mount
- ✓ For Standard Bikes of up to 71in Overall Length with Front Tire Removed

BlackBox PRO 2-Bike Mounts

P/N H01663

A favorite for e-bikes, this bike mount kit for the BlackBox PRO provides a secure and efficient way to transport two bicycles in the upright position without removing the front wheels. Its universal design ensures maximum stability and protection, making it ideal for both everyday use and extended trips.
